Dear Mr. Wasserman:

On behalf of the children and staff of St Philip Preschool and Kindergarten, I want to thank you for providing new sand for our playground. Our sandbox is quite large and there isn't always enough funds in the budget to keep it full. So it was an exciting day for our children to see Don Saenger's truck and helpers arrive with shovels, wheelbarrows and sand to fill our sandbox! I realize it was a hot afternoon, so I truly appreciate their work and efforts and taking the time to care about our children.

The children love to build, dig and explore in the sandbox. Thank you for providing them with many hours of fun and learning.

Sincerely,

Dear Mr. Wasserman:

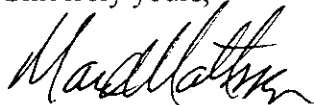

On behalf of the Texas Heart Institute, I wish to thank you and KPRC-TV 2 for your generosity. Some background information may be helpful.

Earlier this year, on March 2, 2001, I wrote to you about an important community outreach program that would benefit greatly from public service announcements. The Texas Heart Institute's Heart Information Service, featuring the toll-free telephone number—(800) 292-2221—provides callers from all walks of life with reliable information about cardiovascular disease, associated risk factors and ways to reduce those risks. Based upon 25,000 calls, 3,500 electronic mail inquiries and the mailing of more than 20,000 informational packets, it is meeting a very important need.

I also informed you that the Texas Heart Institute's sole sources of support were philanthropy, government grants and research contracts, so we were seeking assistance from KPRC-TV 2 to help us share the word about this valuable service. Using internal resources, we produced a 15-second, broadcast-quality spot and submitted it to Ethel Porter.

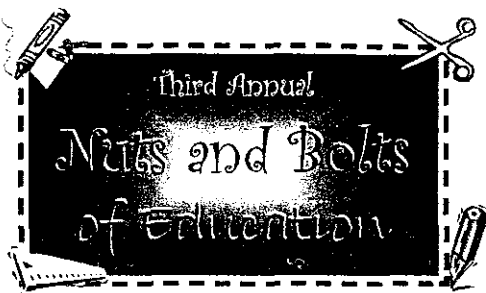

Last Wednesday, I arrived home at about 6:45 p.m., just in time to see the public service announcement about the Heart Information Service. It was a pleasant surprise, so I wanted to convey my warmest appreciation for your support.

Sincerely yours,

Marc C. Mattsson

Dear Mr. Armstrong:

In every way, I want to personally thank you for supporting the Nuts & Bolts of Education event. This event would not have been as successful without your support, participation, and personal contribution. The funds raised will benefit the families and children served by The George Family Development Center.

The George Family Development Center is fully owned and operated by the Fort Bend Family Health Center, Inc. as an extension of its mission to build healthy families and healthy communities. The Fort Bend Family Health Center, Inc. is a non-profit health and social services provider established in the community in 1975. The George Family Development Center, as a community center focuses on the needs of families, was created to centralize family development services under one roof, facilitating access for families to education, counseling, parenting education, youth development, programs, and numerous other family resources. Many of our programs focus on the development of young children, from birth through six years of age, and the support of their families.

We appreciate your part in **Helping Others Manage Everyday (H.O.M.E.)** and making "The Nuts and Bolts of Education" a success. Again, thank you for your continuous support of The George Family Development Center.

Dear Rowdy,

The "Best In The West" dinner, dance and auction is always scheduled for the Saturday before Thanksgiving. Many people think we could find a little better time for it because of the holidays and hunting season. However, every year I thank God for the timing because there is no more appropriate time than now to offer our thanks and appreciation for the support given to The Arc of Fort Bend County at this event.

This was the 25th year for the "Best In The West" and we weren't sure what to expect. Final tabulations topped our expectations. This year the event grossed \$246,496 and with expenses of \$21,000, the organization will have over \$225,000 to use to continue the work of The Arc. These numbers represent a tremendous amount of work on the part of the volunteers that solicited donations and worked hard to keep the costs down. They also represent an outpouring of love and commitment from you for The Arc of Fort Bend County.

Whether you were a donor, an auction buyer, an event participant, a volunteer or all of these, we could not have achieved these results without you. Please accept our thanks for making people with mental retardation and related developmental disabilities a priority in your life.

We hope you will plan to join us on Saturday, November 20, 2004, at the George Ranch Arena for next year's event.

Sincerely,

Hey Rowdy,

It's me again. Carl with the American Cancer Society. I wanted to write and thank you for the mentions on your show. Our events up to now have been a great success. We have twice as many teams signed up as last year and we are looking to sign up even more in the next month. This is the time that our event really kicks into high gear. There are two favors that I wanted to ask of you.

First, is there any way that one day this month or next that we could send someone up there to talk about Realy for a few minutes. Kind of like an on air interview just so that we can get the word out a little more.

Second, I am trying to find entertainment for our event and have been talking to Chris Chitsey's manager. Have you heard of him and what do you think? Can you recommend anyone else that would do it for charity?

I look forward to hearing from you.

P.S. Hope you enjoyed your vacation.

Rowdy,

The Arc of Fort Bend County owes a debt of gratitude to you for all your help with the 2003 "Best In The West" dinner, dance, and auction. Celebrating the 25th anniversary of the event with the most successful in the history of The Arc was most appropriate. Your public support as well as your personal commitment means more to our organization than we can ever sufficiently thank you for. By making The Arc a priority in your life, you are adding quality to the lives of many people with mental retardation.

Dear Patti & Pam:

On behalf of the City of Clute and the Great Texas Mosquito Festival Executive "Swat Team", we would like to take this opportunity to express our appreciation for your efforts in making our 23rd Annual Great Texas Mosquito Festival, a success! It takes a great amount of energy, talents, and dedication from the community to host this event. Neither Hurricane Claudette nor the slow economy could put a damper on our festival with the overwhelming support of our sponsors and volunteers.

Through the generosity of our sponsors, our festival was able to continue to offer all our events from last year. We were also able to provide an in depth website, which allowed our participants to download forms, sign up online, view our schedule, and check out the lodging, dining, and vendors in advance of our festival. It also provided us an avenue to list our sponsors and provide links from our website to theirs. All our contest results are also listed and ready for those participants to view. So take a moment out of your busy schedule to log on to www.mosquitofestival.com and view our website first hand.

Your commitment to our 23rd Annual Great Texas Mosquito Festival was reflected by the **In Kind donation of Radio Advertisement and Event T-Shirts Sponsorship**. Our gate attendance and carnival was down from last year, but it was not a surprise to us with Hurricane Claudette hitting 8 days before our festival and the slow economy. All in all, we know the community support was strong, when our sponsors and volunteers stood behind us, to achieve the highest goals possible.

Thank you, Patti & Pam, for caring enough to take an active role in sponsoring our 23rd Annual Great Texas Mosquito Festival. As a SPONSOR, you made a real difference in the success of our event! We look forward to working with you again on the 24th Annual Great Texas Mosquito Festival to be held on July 29, 30, & 31, 2004.

Dear friend,

I want to thank you for your support at the 4th Annual Boys & Girls Club of Brazoria County Golf Tournament. Your support helped make the event a huge success! Despite the economic climate and the contract situation at Dow, we had 168 golfers, 25 additional hole sponsors in addition to our Platinum, Gold and Silver Sponsors, and fantastic support from companies and individuals who gave door prizes, auction items, food, and beverages.

The Club has been working for more than 30 years to help young people develop skills to allow them to deal with the stresses and challenges, which are part of making the transition to adulthood. Our mission remains "to inspire and enable all young people to realize their full potential as productive, responsible, and caring citizens". We are excited about the future of this organization and the potential for developing more services to help youth of this county. In 2002, we served approximately 2000 youths through our Traditional Boys and Girls Club, Connections after-school care program, and Teen Court.

Your continued support is greatly appreciated. I look forward to your support at next year's golf tournament.

Sincerely,

Dear Pat:

We sincerely appreciated the opportunity to visit with you yesterday afternoon, and we were thrilled to hear Seth had been able to call "twice" from Bagdad. We can just imagine the excitement in Vicki's eyes when she got the first call – sorry you weren't available to talk, but we know you were needed in Victoria. Hopefully, Seth will be home soon, but all of us are proud of him and what he's done, and I know he is equally proud of y'all. We continue to keep him and the rest of your family in our thoughts and prayers.

We also appreciate the opportunity to visit about the status of the blood supply. As you know from your many years of strong support, summer is always difficult, and it looks like the slump in donations immediately following the completion of the school year has been more severe this year than most. However, with support like yours, we'll get the blood supply back to where it needs to be in a timely manner. Patients in this region are very fortunate to have support like you and your organization provide, and it is on their behalf that we extend our hearty thanks and appreciation for your efforts.

Thanks again for your continued support, my friend.

Thank you for your generous donation to the benefit held on May 24, 2003 to raise money for the Travis Hawes Memorial Scholarship Fund.

Thanks to you and other donors, this worthwhile cause was a success. The money that we raised will be put into a trust to use for a yearly scholarship from Barbers Hill High School. Each year, starting with this one, a deserving senior will be chosen by the Hawes family to receive a \$600.00 scholarship. This money will be used to further the recipient's education. The basis for determining the recipient will be the following:

- **Need**
- **Desire**
- **Merit**

On behalf of the Hawes family and the Scholarship Committee, thank you again for your generosity and support.

Dear Pat,

It seems that each year the Star of Hope Celebrity Luncheon Fashion Show just gets better, thanks to you and your colleagues who share in this great cause. You made *Coming Up Roses* more than a theme for this year; it was the substance of a very special time—elegant, vibrant and totally delightful. Everyone that was present experienced it, and everyone loved it. The show was wonderful, as were you—but you always are wonderful. Thank you for continuing to support this event, in order that homeless children can have a better life today and brighter days ahead.

I am especially grateful to you for the commitment you gave, when I know there are many demands on your time, particularly in light of the war effort. The show has become like a family reunion with the added purpose of reaching out to the little ones in Houston, who are so vulnerable. To that end, you made it possible for us to raise \$150,000 for the Children's Critical Care Fund. Those dollars will bless the lives of the children in our care, from infants to teens, because they will provide for all their needs and some pleasures as well.

There is a Scripture in Proverbs 19 that says, "He who is kind to the poor lends to the Lord, and He will reward him for what he has done." It is my prayer that you will realize this promise for yourself and your family, because not only do you extend your kindness many times over to this Mission, you attract the kindness of others to Star of Hope, to the benefit of those we serve. We are extremely grateful. Thank you for coming out and caring enough to be counted among the roses.

Dear Pat:

We deeply appreciate your thoughtful call last Thursday and the opportunity to tape a telephone interview concerning the local blood supply and our support of the military. We appreciate your continued support, especially with the nice distinction you make between giving blood for local patients and preparing to provide blood to the military. It's very important your listeners understand that at this point and time we have not been asked to provide blood to the military. We are clearly ready, able and willing to do so, but we have not gotten the call as yet. Of course, like you, we pray the conflict in Iraq is short with minimum casualties and little blood needed.

As we discussed on the phone, we were very moved with the television interview you and your wife did about your son who is on active duty in the combat zone. I felt you did a magnificent job of showing your support and your concern but, the thing that shown brightest was the pride you have in your son, the President and this nation. You're a classy gentleman, and I am honored and blessed to be able to work with you. You and your family are in our thoughts and prayers, and if there's anything we can do to help at all, please don't hesitate to let us know.

I wanted to write and tell you how much I appreciate your acting as the voice, once again, for Dress for Success Houston. It was a pleasure to be with you in the recording studio. I continue to be impressed with your style of reporting, along with the care and compassion you have for the women we serve.

Helping us get the message out about Dress for Success Houston is vital to the growth of our organization. If we are to serve increasing numbers of job-ready Houston women we need help from everyone! Thousands of formerly unemployable, low-income Houston women are surmounting their last hurdle in obtaining the jobs for which they now qualify. They are moving from welfare to work in interview-appropriate clothing provided by Dress for Success Houston (DFSH).

Pat, you have once again made an impact on DFSH and the community it serves. We are truly grateful to you. Please keep in touch!

Dear Laura,

On behalf of Pack 55 Den 16 we thank you for the tour of your radio stations. Please convey our special thanks to Todd Nixon and Rowdy for their time and hospitality.

I know each of the Cubs and their parents found the tour to be enjoyable and educational. It allowed us the opportunity to learn some of the requirements to run a station. More importantly, some of the technical discussions made the boys aware of the educational preparation needed for a career in broadcasting.

We appreciate your support of the Scouting Program and opening your door to these young men. They will never forget this experience. Again, thank you for making this tour possible.

Dear Pat:

Thank you very much for sharing your day with us at my third annual Pasture Pool Golf Classic. Because of the participation we receive from individuals like your self we were able to raise \$62,000.00 this year. I hope that you will join me again next year for another great day of golf.

Once again, next year's proceeds will benefit the Justin Cowboy Crisis Fund and the Pediatric Programs at M.D. Anderson Cancer Center. Our tournament is scheduled for October of 2003 so make plans to spend the day with us next year as we continue to grow this event. Together we can aid those who are less fortunate. Thanks for helping us help these two phenomenal causes.

Sincerely,

Bob Tallman

Dear Pat,

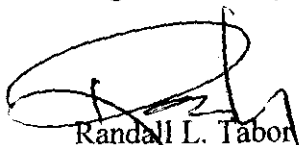

I read a statement once that said, "Friends are the sunshine of life." I can think of no words that are more fitting to describe what you have been to the cause of Star of Hope. It is through friends like you that our work and mission are fulfilled in the lives of Houston's homeless. Your support of the *Swing Into Spring* celebrity fashion show was sunshine to the event and the promise of a better life to the homeless children who are in our care. Thank you for making April 30, 2002 a wonderful, purposeful day.

As I write to you, we are nearing the \$100,000 mark, and we anticipate additional responses. These are dollars that will ensure that the Children's Critical Care Program will meet the needs of each and every child living in our family facilities, providing them with all the ordinary things of life and some that are extraordinary as well, like a week at Camp Good News where the children have experiences they could only imagine – horseback riding, boating, tubing, mountain biking and so much more.

What's more, since this is a time of recovery for us and for the nation, we are especially grateful for your partnership and encouragement in our work. We suffered significant losses in resources over this last year, and rebounding has been a challenge. But because of wonderful people like you, who through events like the fashion show help us in our commitment to serve the less fortunate and assist them as they rebuild their lives, we are moving forward with great hope for the future.

Thank you for making all this possible. Thank you for caring about the little ones who are treasures of the Lord and the future of our nation – the world. May He bless you richly for your kindness, compassion and generosity.

Together Giving Hope,

Dear Pat:

Thank you for taking time away from your family this past Saturday and especially thank you for your input in shaping the future direction for the American Diabetes Association.

As Dan stated, we will be drafting goals and strategies from the meeting and provide them to you and the ADA's leadership for clarity and refinement. After that we will bring the final draft to the September Council Meeting for it's review and approval.

Your input and that of everyone in attendance will lay the foundation for us to make a significant impact against the fight with Diabetes over the next several years

Thank you for making a difference!

Dear Ms. Simpson & Ms. Morris,

On behalf of the Texas Boys Choir, I wish to thank you for your donation to the *Taste of Culture Gala's* silent auction. This acknowledgement is long overdue. We waited to send the letter until we could enclose the newsletter in which your Station's name appears.

The \$25,000 raised from this event benefits not only the Boys Choir but also its new charter school, Fort Worth Academy of Fine Arts (FWAFA). Your gift was very generous and very much appreciated.

<u>Item(s) Donated</u>	<u>Fair Market Value</u>
▪ Gift Certificate to Pappas Restaurant	\$100.00

(No goods and services were received by the donor in exchange for this donation.)

Our event grows each year in excitement and money raised. This year boasted a record number of attendees. There were more than 250 people enjoying the talent of all three Choirs, sampling a variety of international cuisine and bidding in our wonderful silent auction, which raised more than \$10,000.

As we gear up for another year, we want to tell all of our supporters how much we appreciate your generosity. Your donation was crucial to our success this past year. The future is exciting as we enter our second full year of instilling the love of the arts in a new generation of young men and women in our community. We hope you will consider participating again next year.

Thank you,

Dear Rowdy: As a director of the SBACA I want to personally thank you and the station for your continued support of our cause. Due in part to the efforts of your station and your personal message we had our largest effort to date for the PRCA contestants that benefit from our efforts. Some of the results of the weekend; we estimate over 2,500 people came out for part or all of the weekend. We had over 22 cook-off teams compete for awards. Over \$100,000 was raised by silent or live auction. We had 28 HLSR contestants "adopted" (that means their entry \$500 was paid by SBACA). We also now have a great start to be able to help out the Justin Cowboy Crisis Fund, ready to assist any PRCA contestant in duress per our code. All again in no small part due to you and KILT. Many thanks and we will continue to be regular listeners of your station. Sincerely,
 Richard A. Walker, Director SBACA, www.sbaca.com P. S. We are having our Spring Golf Tournament benefiting SBACA on 4-8-02 at Windrose Golf course, start time 12:00. Hope to see you there.

Dear Mr. Kuykendall:

I would like to take this opportunity to express my sincere appreciation to you and your staff for the live radio broadcast 100.3 KILT Radio did from the Houston VA Medical Center on Veterans Day, November 12 from 6 to 10 a.m. to honor America's veterans.

Days after the event, I continue to hear about how much fun the veterans, volunteers, and medical center staff had at the event. Just today, I passed a veteran wearing a t-shirt signed by David Ball in a wheelchair with his KILT bumper sticker and a soda in a KILT coosie.

Please know that events like the KILT Live Radio Broadcast make our veterans feel appreciated and respected by their community. I hope you will consider the Houston VA Medical Center for future remote broadcasts.

Thank you for your continued support of special events hosted by the Houston VA Medical Center.

Sincerely yours,
